

Marian Anderson Residence Receives 2009 Best of Philadelphia Award

The Marian Anderson Residence has been selected for the 2009 Best of Philadelphia Award in the Historical Places category by the U.S. Commerce Association (USCA). The USCA "Best of Local Business" Award Program recognizes outstanding local businesses throughout the country. Each year, the USCA identifies companies that they believe have achieved exceptional marketing success in their local community and

business category. These are local companies that enhance the positive image of small business through service to their customers and community.

Various sources of information were gathered and analyzed to choose the winners in each category. The 2009 USCA Award Program focused on quality, not quantity. Winners are determined based on the information gathered both internally by the

USCA and data provided by third parties. U.S. Commerce Association (USCA) is a Washington D.C. based organization funded by local businesses operating in towns, large and small, across America.
